Workshop Format

(free style or themed?..)

You can choose between a freestyle pottery demo or a guided workshop focused on creating a specific piece, such as a trinket dish, mug, or small vase. We're always happy to hear your ideas and tailor the experience to your group!

Group Size

We can lead workshops for up to 50 people. Kindly provide us with as much notice as possible for larger events so that we can schedule multiple instructors for you.

- Thinking about what package works best for you?
- 2 hour - best for smaller groups looking to try something new
 - 2.5 hour - most optimal length for those who want to paint their pieces and explore hand building
 - 3 hour - best for slow paced events and those that would like to have time set aside for cake/snacks and mingling
